

Acme Dental Low — Benefits Summary

Acme Corp · Group 00412345 · Plan year: calendar year (January 1 – December 31)

For eligible employees and enrolled dependents. This summary describes your dental benefits.

Enrollment Summary

Your monthly premium: \$24.00, deducted pre-tax from your paycheck.

Network: Acme Dental PPO. You may also see dentists outside the network (see §3).

Schedule of Benefits, §1 Annual Deductible

Annual deductible: \$50 per person per calendar year. Applies to Basic and Major services.

Preventive services are not subject to the deductible.

Schedule of Benefits, §1.4 Q4 Deductible Carryover

Q4 carryover: any deductible met in October, November or December also counts toward next year's deductible.

Schedule of Benefits, §2 Coinsurance (what the plan pays after the deductible)

Service class	In-network	Out-of-network
Preventive & Diagnostic	100%	100%
Basic	80%	80%
Major	50%	50%
Orthodontia	Not covered	Not covered

Out-of-Network Benefits, §3 Dentists Outside the Network

Out-of-network claims are reimbursed at the 80th percentile of usual and customary (U&C) charges.

You pay the difference between the dentist's bill and the plan's allowance.

Plan Maximums, §4 Annual Maximum

Annual maximum benefit: \$1,500 per person per calendar year, in and out of network combined.

Plan Maximums, §4.2 Preventive Care

Preventive and diagnostic services count toward the annual maximum.

Max Rollover, §5 Rollover for Low-Use Years

If your plan-paid claims for a calendar year total \$800 or less, \$350 rolls over to next year's maximum.

If every claim that year was in network, an extra \$150 is added to the rollover.

Your Max Rollover rollover account can hold up to \$1,250.

Eligibility, §6 Waiting Periods

Waiting periods: None. Coverage for every service class begins on your effective date.

Covered Services, §7 Service Categories

Category	Service class
Diagnostic (exams, X-rays)	Preventive
Preventive (cleanings, fluoride, sealants)	Preventive
Restorative (fillings)	Basic
Major restorative (crowns, buildups, posts)	Major
Periodontics (deep cleanings, gum maintenance)	Basic
Prosthodontics (dentures, bridges)	Major
Implants	Major
Oral surgery (extractions, wisdom teeth)	Basic
Orthodontics	Not covered
Adjunctive services (sedation, night guards, pain relief)	Basic

Limitations, §8 Frequency Limits

Exams: 2 per calendar year

Cleanings: 2 per calendar year

Bitewing X-rays: 1 per calendar year

Full-mouth or panoramic X-rays: 1 per 60 months

Crowns and bridges: 1 per tooth per 60 months

Buildups and posts: 1 per tooth per 60 months

Scaling and root planing: 1 per quadrant per 24 months

Night guards: 1 per 36 months

Limitations, §8.3 Alternate Benefit

Alternate benefit: on back teeth, tooth-colored fillings are paid at the silver (amalgam) filling rate.

You pay the difference between the two rates.

Work in Progress, §9 Crowns and Bridges

A crown or bridge is payable on the date of preparation, not the date it is seated.
